

Testimony of
Hospice Southeastern Connecticut
Before the Legislature's Public Health Committee

10:00 AM, Friday March 16, 2012

Room 1D, Legislative Office Building Hartford, Connecticut

My name is Aruna Iyer. I work in the Human resources at the Hospice Southeastern Connecticut. I am submitting testimony in support of House Bill 5499 (Raised) An Act Concerning Regulations Relating to Hospice Care .

Present you case here

- Patients and families in every corner of Connecticut deserve access to an inpatient hospice model that suits their communities.

Patients and families should not be put in a position that they have to drive a long way to care for their loved one especially during this difficult time of their lives.

Thank you for taking the time to consider my testimony. Please feel free to contact me if you have any questions at 860.848.5699 or (email address)
